## Beth Moore's Newest Study for Women! ESTHER: IT'S TOUGH BEING A WOMAN

Esther may have been a queen, but her life was no fairy tale! An outsider, a foreigner, and an orphan, she found herself facing an evil plan to destroy her people. Esther's story is a profile in courage and contains many modern parallels for today's overloaded and stressed woman. All women are invited to join in this in-depth and very personal examination of this great story of threat and deliverance. If you have ever felt inadequate, threatened, or pushed into situations that seemed overpowering, this is the study for you.

## WELCOME NEW MEMBER

**Tom Hall**

We welcome Tom to full membership in our church. Tom has been an associate member, coming to us from a United Methodist background. He joins us now rededicating his life to Jesus Christ and expressing this through baptism by immersion.

Tom is already very active in our church, serving on the church properties committee and in a variety of other ways. He has a deep commitment to mission work. He is retired from General Motors Insurance. Tom and Audrey have two children and three grandchildren. They are members of our Koinonia Sunday School class.
