A STUDY OF I PETER

Leader: Rev. David Leary

For Five Sessions – In different homes

Written in a period when Christianity was just beginning to come of age and to distinguish itself in relation to the religious, cultural, and political environment the church was confronting. It addresses the suffering and persecution Christians were facing, but this letter is really addressing the issue of Christian identity.

Don't miss this interesting study!

For more information and for directions to the different meeting homes, please contact Rev. Leary at 584-8368 or dbleary@charter.net.

Beth Moore's Newest Study for Women!

ESTHER: IT'S TOUGH BEING A WOMAN

Esther may have been a queen, but her life was no fairy tale! An outsider, a foreigner, and an orphan, she found herself facing an evil plan to destroy her people. Esther's story is a profile in courage and contains many modern parallels for today's overloaded and stressed woman. All women are invited to join in this in-depth and very personal examination of this great story of threat and deliverance. If you have ever felt inadequate, threatened, or pushed into situations that seemed overpowering, this is the study for you.
